

## Wants ads now available to retirees

Retirees may now submit classified ads, called "i.want ads," via the following link: <http://www.llnl.gov/pao/employee/wantAds.html>, which will also be posted on the LLNL Retiree Organization Website: <http://www.llnlretirees.org/home.html>.

The link will bring up a form for submitting want ads by email. Please read the instructions carefully; verify that the proper ad category has been checked; and make sure that the information provided is complete and accurate before submitting your ad.

Note that for security reasons direct access to the ads listed in the online database is not available from outside the Laboratory.

The i.want ads will be posted each Friday on Newsline's external Website: <http://www.llnl.gov/llnl/06news/employee>. An edited version of the ads will also be published in Newsline every week.

Ads will be published on a one week cycle ending the close of business (COB) Tuesday.

The want ads are for the exclusive use of Laboratory retirees, employees and contractors, and are not available to the public or local businesses. Restrictions in force under the previous classified ad system continue to apply to i.want ads. Newsline cannot accept ads for houses, apartments or condominiums for rent or sale (only rooms for rent and vacation rentals are accepted).

Also prohibited are ads for items, such as guns, requiring a license to sell; airline tickets, which may not be transferable; raffle promotions; or personal ads. The "services" category has been removed to be consistent with UC policy. Newsline reserves the right to remove any ad deemed inappropriate or to move an ad to a more appropriate category.

To have your ad removed or to submit a question, send an email to [iwant-ads@llnl.gov](mailto:iwant-ads@llnl.gov).
